Stageline SL320
Apex 2420
Apex 3224
Mobilestage XXL

SOUND SYSTEM REQUIREMENTS

ELTON LIVE! will be traveling with both FOH/Monitor consoles, FOH Techs and complete package of microphones, cables and stands. Venue will need to run (2) professional SHIELDED Cat6 cables from FOH position to side stage.

ELTON LIVE! FOH/Monitor consoles are for the sole purpose of their show. Opening/supporting acts will not be allowed access to ELTON LIVE! FOH/Monitor consoles.

FOH SPEAKER SYSTEM:

The PURCHASER will provide at their full expense a professional name brand three or four- way active PA-system, which will provide adequate coverage of 40hz to 20khz and deliver a SPL of 98db A weighted of undistorted, clean sound at the FOH position. The PA system must have a minimum of 4 double 18 inch subwoofers and matching tops all in good working order.

The stage must be set up and PA must be loaded in place and ready to go prior to the arrival of ELTON LIVE! tech crew.

PRE-SHOW MUSIC

The venue shall allow FOH to take over pre-show music (1) hour prior to showtime. Elton Live! Has a very select intro music from artist from Elton Johns genre. (Billy Joel, Fleetwood Mac, The Rolling Stones, Rod Stewart, etc)

SOUND CHECK

We will require a minimum of 90 minutes for sound check prior to doors. This 90 minute period begins only after all backline gear is in position and operational on stage. All inputs must be line-checked and the FOH and Monitor systems must be fully functional and in a show-ready state.

It is expected that all sound equipment provided is of professional quality, in perfect working condition, and is accompanied by professional, competent and pleasant technicians/engineers.

All other acts are required to provide their own backline, mics, DI's etc. There will be no exceptions. Any changes regarding equipment must be approved through ELTON LIVE! Production Managers. Do not cut corners or misrepresent what you are providing. ABSOLUTELY NO SHARING OF BACKLINE EQUIPMENT

LOADERS

The client shall provide at its own expense 3 people to load in equipment to the stage and to load out equipment directly after the show. Must be professional, sober and in good physical shape to assist in this task.

BUS/TRUCK PARKING

Parking will be needed for 1 (one) 25' (twenty five foot) van with trailer. It is mandatory that the van & trailer be able to park very close to the stage door. If for any reason the van and trailer must park on the street or in any other place not owned or controlled by the venue, it is the sole responsibility of the PURCHASER to obtain any city or private parking permits or permission including any associated fees. All vehicle parking is to be secured and guarded. It would be preferred that the PURCHASER lay out exactly where van & trailer is to be parked before the advance, for where the van and trailer is parked upon arrival is where it will stay until departure after the show.

MERCHANDISE

The venue shall provide to the band an area in a HIGH TRAFFIC area to sell merchandise. The area should be no smaller than 10ft x 10ft. Merchandise area must also have access to (1) standard Edison 15amp wall outlet. We will also require internet access to process credit cards.
